TECHNICAL ANALYSIS

Alcohol	RS	TA	pH
11.70 %	9.8 g/l	5.7 g/l	3.46

As Madame Lily Bollinger, of the famous champagne-making family once said, "I only drink champagne when I'm happy, and when I'm sad. Sometimes I drink it when I'm alone. When I have company, I consider it obligatory. I trifle with it if I am not hungry and drink it when I am. Otherwise I never touch it - unless I'm thirsty."

TASTING NOTES

A very elegant wine with great linearity, well rounded, with aromas of lemon grass and a beautiful refreshing finish of green apples on the palate.

SERVING TEMPERATURE

6 – 8 °C

FOOD SUGGESTIONS

Champagne and other sparkling wines are not just great party wines; they are also considered the most versatile wines for pairing with food. Our MCC is delicious alone, but even better when smartly partnered up with a delicious bite. Enjoy with Eggs Benedict for brunch, freshly shucked oysters, smoked salmon or a fresh West Coast Crayfish on the braai.
